Dear Friends,

Our deepest appreciation for your attending and supporting our twelfth seminar with Sensei Advincula, and for our fund raising efforts for Special Operations Warrior Foundation.

The week beginning 3 May 2008 with Sensei Advincula's seminar for our students started our fund drive, and pretzelizing our young student Mike Markowitz, all the while Mike had a smile on his face. It was a pleasure and honor for Mike to train directly with Sensei.

Saturday evening, we had the distinct pleasure of promoting Bernie Schenkler to Yon-Dan with Sensei's approval.

On Sunday we were pleased to see old and new friends attend our twelfth annual seminar with Sensei. This year we asked him to honor Shimabuku Sensei by covering the Bunkai from Sunsu Kata and to honor Sensei to cover ACE/Advincula's Combat Escrima. Sensei promoted one of our instructors Dave Miller to Sho-Dan in ACE.

Our thanks to all who contributed extra to the SOWF and Wounded Warriors.org, it was a great day and we are pleased that we made more people aware of SOWF.

On Thursday the 8<sup>th</sup> we held a Personal Protection Seminar for the Women's Club of White Meadow Lake and raised an additional \$ 270.00. In total we have raised a total of \$ 1,616.00 for Special Operations Warrior Foundation and \$ 161.00 for Wounded Warriors Family Support. In addition we are pleased that Kris Krogstad will be raising money for SOWF through his family memorial golf outing.

Thank you, to every one who attended. On behalf of my son Glenn and our instructors, deepest appreciation to those, who made additional contributions to both funds.

A most special thank you, to Sensei Advincula for another great day of learning and for your contribution to Special Operations Warrior Foundation.

Sincerely,

"Olde" Glenn Wargo
